Dear Mr. Craven:

This letter acknowledges receipt of your January 10, 2018 request under the Freedom of Information Act (FOIA), 5 U.S.C. § 552, to the VA Office of Accountability and Whistleblower Protection (OAWP) which was for:

"...All email correspondence between VA officials and officials at the Concerned Veterans For America with email addresses ending in "@cv4a.org" between Jan. 20 and present day. I sent a request earlier for this, and was given tracking number 18-01467-F. I think this request has been closed, as I neglected to properly respond to a request for clarification. If that's the case, please start a new request. But if my last request is live, please tweak. The search terms should include, but are not limited to, "trump" "koch" "accountability" "privatize" "shulkin" "selnick" "VA"

Your FOIA request was received in the Office of Accountability and Whistleblower Protection (OAWP) on February 14, 2018, and was assigned the request number indicated above. Please include this request number in all future communications concerning this FOIA request. Based on the information you provided, we have identified you as an "News Media" FOIA Requester. In addition, we have placed your request in the "simple" processing category.

The Office of Accountability and Whistleblower Protection (OAWP) will search for records responsive to your FOIA request gathered or created by OAWP, on or before January 9, 2018.

If you have any questions about this letter you may contact me by phone at (202) 718-7335, or by email at oawpfoiarequests@va.gov.

Sincerely,
